

Youth Day Celebration – Showing Our Appreciation

This Youth Day, our secondary students had the opportunity to express their gratitude and appreciation to postmen and postwomen working at Sing Post. The students prepared 300 Care packages consisting of Vitamin C, face masks, wet tissue and dry snacks which were sponsored by SE-CDC. The Care packages were also accompanied with personalised messages by students.

This opportunity also provided a platform for students to learn about the job scopes and struggles of postmen and postwomen, especially during the COVID-19 pandemic. It further reinforces key values such as resilience, kindness, care and compassion that we aim to inculcate in our students.

The Care packages were delivered to SingPost on 16 July with SingPost CEO, Mr Vincent Phang, and Mayor of South East District, Mr Mohd Fahmi Aliman, present. This Youth Day, Katong School secondary students were reminded on the importance of giving back. As Mother Teresa once said, *“It’s not how much we give, but how much love we put into giving.”*
