

Play Inclusive 2023 (Basketball)

A P S N

On August 26, 2023, Katong School students clinched a well-deserved 2nd position in the Play Inclusive Basketball competition, hosted at the OCBC Arena Sports Hall by Special Olympics Singapore.

Our unified partners from Bedok View Secondary School ensured our students made the hoop and shined in the spotlight. This triumph not only reflects our team's winning mentality but also embodies the spirit of inclusivity.
