

17 Katong School bowlers participated in the Bowling Special Olympics Competition on 18 May 2024. Our athletes in strong defiance of the odds emerged true sportsmen and wowed the crowd with superior skill and grace, cheering all players when a good game was spotted.

It was an excellent showing for Katong School; 9 students from our school won medals in their respective competition; 4 Gold, 4 Silver and 1 Bronze. Good job, Katong School bowlers!
