

National Day Observance Ceremony Performance @ East Coast Integrated Depot

APSN

On 8 August, 13 students from the Show Choir CCA group performed at the Ministry of Transport's National Day Observance Ceremony, held at the East Coast Integrated Depot. The event, marking Singapore's National Day, was attended by Minister for Transport, Mr Chee Hong Tat, and staff of MOT and LTA, who gathered to celebrate the nation's birthday and unity.

The Show Choir's performance was a standout moment, featuring the students' rendition of the National Day song, 'Tomorrow's Here Today' that resonated with the audience. Their synchronized choreography and powerful vocals added a vibrant touch to the ceremony, embodying the spirit of National Day. The performance not only showcased the talents of the choir, but also reinforced the themes of togetherness and national pride, making it a memorable part of the observance ceremony.
