

Circus Arts - Extraordinary Concert 2024

APSN

17 students from the Circus Arts CCA participated in the Extraordinary Concert 2024 on 3rd July 2024 held at NUS Ho Bee Auditorium, University Cultural Centre (UCC). Despite the event being brought forward this year, the students showed perseverance and commitment in their practices to deliver a spectacular performance for the audience.

The students demonstrated resilience by performing two shows in one day, a Matinee and an Evening show. Notably, one of the students had the opportunity to share his experiences and preparation in an interview by ExtraOrdinary. Being featured by the organizer highlights the effort and passion that all the students put into their performances.
