

CCA Digital Arts & Photography Canon Photomathon 2024

CANON
PHOTOMARATHON
#yourCanonEventSG

Theme #1
Harmony

2nd

Zul Nuriman

On 28 September 2024, 12 students from the Digital Arts & Photography CCA participated in Canon PhotoMarathon held at Fountain Square, Clarke Quay. Our school was proud to be the only special school that participated in this event. The students embraced the challenge of capturing creative images across a variety of themes.

From stunning landscapes to playful portraits, they showcased their unique artistic styles while honing their photography skills. With the encouragement of their teachers and peers, they enjoyed exploring their creativity in a supportive and collaborative environment. Although Zul Nuriman earned an impressive Second Place in the 'Harmony' theme within the student category, it was truly a group effort, marking a proud achievement for both students and staff.
