

On 20 September 2024, 12 scouts and 3 leaders attended the Serigala Campfire at Fernvale Gardens School. The theme of the campfire was 'Racial Harmony,' and many scouts and leaders donned their ethnic costumes, adding to the festive atmosphere. A highlight of the evening was when each school performed dances and skits. Our Katong Squirrels made KS proud with their energetic dance performance! It was an enjoyable and exciting event for our scouts.
