

**Singapore Youth Festival (SYF) 2024
Malay Dance
@ University Cultural Centre - Ho Bee Auditorium**

On April 22, 16 Primary 6 students participated in the SYF Malay Dance competition, delivering an outstanding performance that filled the school and their parents with immense pride.

Their efforts earned them a Certificate of Accomplishment in the Malay Dance category, a remarkable feat for our first-ever SYF participation. Notably, our school stood as the only special education school in this category, demonstrating our commitment to inclusivity.

The dedication of our students, supported by our instructors and teachers, was instrumental in this achievement, showcasing the resilience in our school community. Their success serves as a powerful reminder of the incredible potential within our school.
